

Coastal Research Accessibility Policy

Effective Date: April 26, 2024

At **Coastal Research**, we are committed to providing an inclusive and fully accessible experience for all individuals, including those with disabilities. We believe that access to information and services should be a universal right, and we are dedicated to ensuring that our website and services are designed to be accessible to everyone.

Our Commitment to Accessibility

We actively strive to meet and exceed industry standards for web accessibility. This includes ongoing compliance efforts with the **Web Content Accessibility Guidelines (WCAG)** and **Accessible Rich Internet Applications (ARIA)** specifications. By following these standards, we aim to ensure that all users, regardless of ability, can easily access and navigate our digital content and services.

Continuous Improvement

Accessibility is an ongoing process, and we continuously work to enhance our platform by:

- Regularly auditing our website for compliance with accessibility guidelines.
- Implementing improvements to remove barriers that may affect users with disabilities.
- Incorporating user feedback to refine and improve accessibility features.

Providing Feedback & Reporting Accessibility Issues

We recognize that there may still be areas requiring improvement. If you encounter any accessibility issues or find that a part of our platform is not fully accessible, we encourage you to reach out to us. Your feedback is crucial in helping us make necessary adjustments.

Assistance & Support

If you need assistance with navigating our website, accessing specific content, or using certain features, we are here to help. Our team is dedicated to providing **personalized support** to ensure a seamless experience for all users.
